Copy of letter from C.D'A.Crofton, Esq., I.C.S., Collector of Bellary, Ref. C.No.2120/26, dated 23rd January 1927.

G.O.No.1554 (Rev.) dated 14-9-1926 and B.P. 4775 (Rout dated 24-9-1926.

The Special Revenue Inspector sanctioned in the above G.O. for the Sub division of land proposed to be acquired for the Kanivihalli - Swamihalli Railway, joined duty on 24-10-1926 and the clerk sanctioned in the same G.O. joined duty on 7th November 1926. The period of sanction expires in the case of the Revenue Inspector on 23-1-1927 and in that of the clerk on 6-2-1927. The whole work involves the measurement of 306 sub divisions in 6 villages which the railway traverses, beside enquiry work about the ownership and valuation of lands. So far the measurement of 162 sub-divisions in 3 villages has been completed and the enquiry work has been completed in 2 villages. There are still 144 sub-divisions to be measured in 3 villages and the enquiry work has to be attended to in 4 villages. The progress of sub-division work is somewhat retarded owing to the hilly nature of the country which is covered with jungle, which has to be cleared before taking measurements. The sub-division work and the land value enquiry work is likely to engage the Revenue Inspector till at least the end of March 1927 next.

The clerk in the Revenue Divisional Office who is engaged in checking the records received from the Revenue

(5

Inspector and in preparing the draft notifications under the Act, will have work till the end of April 1927.

I therefore request that sanction may be accorded to the retention of the Revenue Inspector, 1 peon and 2 chainmen till 31-3-1927 and for the retention of the clerk till 30-4-1927. I am issuing orders to retain the existing staff in anticipation of sanction and request that my action may be approved.
